**WATCH WHAT YOU TOUCH**

**Disinfect cart and basket handles**
Sanitize or use disinfectant wipes to clean cart and basket handles before use.

**WASH YOUR HANDS**

Don't forget the soap
Wash your hands with soap for at least 20 seconds.

**SHARING IS CARING**

**Be fair, please share**
Stockpiling can mean someone may not be able to buy what they desperately need.

**PERSONAL HYGIENE**

Don't spread germs
Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow. Don’t forget to wash your hands afterward.

**SOCIAL DISTANCING**

**Keep a personal radius**
Staying six feet away from others, even in the checkout line, does not make you unfriendly, it makes you considerate.

**LIMIT NONESSENTIAL OUTINGS**

**Consider others**
If you or someone you know is more vulnerable, take precautions. Outings, even to a grocery store, could put them at risk. You may bring home more than just groceries.
