

# CONSIDER DONATING YOUR PERSONAL PROTECTIVE EQUIPMENT

We are looking for companies, educational facilities, and other organizations that may have personal protective equipment (PPE) that could be used in the state's response to the COVID-19 emergency.

We appreciate donations and we are willing to reimburse large quantities of PPE at fair market value. Please contact us if you have the specific items below. If you have less than 50 of any of the below items, please consider donating to local health care organizations.

This program is not for organizations that need PPE. It is for organizations that have PPE and are looking to donate or sell to the state of Wisconsin. We are actively monitoring the ongoing scarcity of PPE across the state and continue to try to meet the most pressing demands as we can.

## ITEMS TO DONATE

- Surgical Gowns (S, L, XL, and XXL)
- Face/Surgical Masks (adult, pediatric)
- Gloves (Nitrile, Vinyl, or Butyl)
- N-95 Particulate Respirators
- Isolation Gowns
- Face Shields
