Purpose
This document will outline how to log in to the CARES Act Provider Payment Application Portal. It will also cover what to do for forgotten passwords.

Instructions
1. Navigate to the CARES Act Provider Payment Application page and enter your Username and Password. Note: Your username will be your email.
2. Click the Log in to the CARES Act Provider Payments Application Portal button.
3. You will be logged into the CARES Act Provider Payment Application Portal (see next page).
4. If you’ve forgotten your password, click the Forgot Password button. Note: When attempting to log in, if you fail your password 3 times, you will need to wait 15 minutes to use the Forgot Password button to reset your password.
5. By clicking on the **Forgot Password** button, you’ll be routed to the Password Reset page.
6. Enter your **Username**.
7. Click the **Reset Password** button.
8. The following pop-up will appear, telling you to **Now, Check Your Email**.
9. The email will provide a link to reset your password. Click the link.

10. You will be directed to the Change Your Password page. Enter your new password based on the criteria (10 characters, 1 letter, and 1 number). Enter it again to confirm your new password.

11. Click the Change Password button.

12. You will be routed to the CARES Act Provider Payment Application Portal.
