YOU CAN PROTECT OUR COMMUNITY FROM COVID-19

We're doing our part. But systemic racism means people of color are more likely to become exposed, infected, and seriously ill due to COVID-19. It's important for all of us to keep ourselves and our loved ones healthy, and when we do, it helps our entire community.

- Wear a mask in public
- Keep 6 feet apart
- Stay home if you can
- Wash your hands
- Symptoms? Get tested

Keep it up. Visit **dhs.wisconsin.gov/COVID19** for safety tips, updates, and more.
