

# Let your contacts know.

If you test positive, notify people you've been in close contact with and tell them to get tested.

## Thanks for getting tested!

Getting tested for COVID-19 is an important part of helping to stop the spread.

**Look for posters like this as you wait.**  
They'll get you thinking about...

How long you may be contagious.

Who you've been in close contact with recently.

What to tell your close contacts if your test comes back positive.
