Let your contacts know.

If you test positive, notify people you’ve been in close contact with and tell them to get tested.

Who are your close contacts?

Someone you have physical contact with, such as a hug, handshake, or kiss.

Someone you live with or spend the night with.

Someone you are within 6 feet of for a total of 15 minutes or more in 1 day.

Someone who you have coughed or sneezed on, shared food or drinks with, or who has touched items like your used tissues or towels.

Prefer to remain anonymous?
