

Vaccines for Children Program (Barnaamijka Tallaallada Carruurta)

(Vaccines for Children Program)

Ma ka welweleysaa kharashka tallaallada carruurtaada? Waxaad xaq u yeelan karnaa in aad tallaallada ka hesho barnaamijka Vaccines for Children (Tallaalka Carruurta ama VFC).

Waxa uu yahay Barnaamijka VFC:

- ▶ Wuxuu tallaallada siiyaa carruurta xaq u leh, oo wax lacag ah lagama rabo, ee VFC waxaa bixiya xafiisyo dowladeed.
- ▶ Wuxuu bixiyaa kharashka tallaallada caafimaadka ee ay ku taliyaan shaqaalaha, American Academy of Pediatrics (Ururka Dhakhaatiirta Carruurta Mareykanka) ee Centers for Disease Control and Prevention (Mareykanka iyo Xarumaha Ka-hortagga iyo Xakameynta Cudurrada).
- ▶ Wuxuu bixiyaa ama yareeyaa kharashku in uu caqabad ku noqdo tallaallada carruurta laga rabo.
- ▶ Wuxuu waalidka u baajiyaa kharashka tallaalka.
- ▶ Wuxuu sahlaa tallaallada in lagu helo ballanta dhakhtarka.

Carruurta ilaa iyo 18 jir waxay xaq u leeyihiin:

- ▶ Haddii ay Medicaid haystaan oo ay Medicaid ku jiraan.
- ▶ Haddii aysan haysan ceymis kale.
- ▶ Haddii ay yihiin Hindida Mareykanka ama Dhaladka Alaska, sida ku qeexan Indian Health Care Improvement Act (Sharciga Hagaajinta Caafimaadka Hindida) (25 U.S.C. 1603).
- ▶ Haddii ay haystaan ceymiska caafimaadka, mid aan ka bixineyn tallaalka, ama keliya bixinta tallaallada qaarkood. Markaas oo kale, carruurta waxay xaq u leeyihiin oo keliya in ay tallaallada ka helaan Federally Qualified Health Center (Xarunta Xaqu-yeelashada Caafimaadka Federaalka) (FQHC) ama Health Clinic (Kilinigga Caafimaadka Miyiga) (RHC).

Raadso xafiis dhakhtar oo ah VFC:

- ▶ Bogga internetka ka baaro, oo maab ayaa ku jira, si aad uga hesho dhakhtar ah VFC oo kuu dhow ama wixii macluumaad ah oo ku saabsan barnaamijka.

 <https://www.dhs.wisconsin.gov/immunization/vfc.htm>

- ▶ Fadlan taleefan kula xiriir oo iska xaqiiji goobta dhakhtarka, wixii kharash ah oo ballanta lagaa rabo, iyo si aad u habsato haddii dhakhtarku hayo tallaallada carruurta.
