

Drug Take Back Day

Safe disposal saves lives.

It's tough to have real conversations about the harm that can come from unused medications. But when we take action by removing unused medications from our homes, **we work toward preventing harmful drug use** together.

Other options for safe disposal:

Your local law enforcement agency

Check the Drug Take Back locator map to find the nearest law enforcement agency with a drug disposal box. Visit doseofrealitywi.gov

Your local pharmacy

Contact your pharmacy or check the Drug Take Back locator map to find the nearest pharmacy with a drug disposal box. Visit doseofrealitywi.gov

Your next Drug Take Back Day

Take your unused drugs to a collection program or event, such as a Drug Take Back Day.

Remember, you should never flush or dispose of your medications down a drain.

Do your part on:

Oct. 23, 2021

To find Drug Take Back locations near you, visit:

Important:

Drug Take Back Day is **confidential**.

It's easy. Just remove any prescription labeling from the outside of the container and place your unused medicine containers into a plastic zip-lock bag.

**dose
of
reality**

Prevent opioid harm.
It starts with real talk.
