State Health Insurance Assistance Program

- The **Wisconsin State Health Insurance Assistance Program (SHIP)** can help you understand Medicare eligibility, enrollment, options, and costs.
- SHIP counselors don't sell anything and are not connected to any plan or company. They provide objective information to help you decide what health coverage is best for you.
- **Save money!** Find out if you qualify for programs to help cover your Medicare premiums, deductibles, and copayments.
- Learn how to **get the most out of Medicare's preventive benefits**, such as the free flu shot.
- Meet with a local SHIP counselor to learn more about Medicare and other insurance options!
