

Introducing Wisconsin's Asthma-Safe Homes Program

Create Your Asthma-Safe Home

**Delivering free in-home asthma services
to help families breathe easier**

Learn how to control your asthma and live your best life with the Wisconsin Department of Health Services' Asthma-Safe Homes Program. This program provides free, in-home asthma education and home repair services to eligible families in Milwaukee, Racine, Kenosha, Rock, and Brown counties.

To be eligible, participants must:

- Be eligible for Medicaid state health insurance.
- Be 2-18 years old or pregnant.
- Have poorly controlled asthma.

This program provides:

- Education on how to manage asthma.
- A home assessment to look for asthma triggers.
- Up to \$1,000 of asthma supplies for your home.
- Up to \$5,000 in eligible home repairs.

These services can help you or your child use less medication, make fewer trips to the emergency department, avoid overnight stays at the hospital, and miss less school and work.

**Ask your health care provider, school nurse,
pharmacist or asthma educator for a referral.**

How to access the services

1. Ask your health care provider, school nurse, pharmacist or asthma educator for a referral to the Asthma-Safe Homes Program.

2. Meet an asthma educator for two to six sessions and get home supplies. If eligible, you will be referred for a detailed home assessment.

3. Receive home repairs if the assessment uncovers major asthma triggers. Repairs are available to renters or owners.
