

**Free Registry for Agencies and Providers**

# Join now to boost your workforce

Has it been challenging finding qualified workers to meet the direct care needs in your community? If so, Wisconsin's new workforce registry may be the answer. You can connect with certified direct care professionals and:

- Post job openings
- Automatically match with job seekers
- Screen candidate profiles and credentials
- Access training and bonus opportunities for your current staff

Scan the QR code to join the registry.
