The Path to Becoming a Dental Hygienist

Accredited dental hygiene programs:

- Blackhawk Technical College
- <u>Chippewa Valley Technical College</u>
- Fox Valley Technical College
- Madison College
- <u>Milwaukee Area Technical College</u>

- Northcentral Technical College
- Northeast Wisconsin Technical College
- <u>Waukesha County Technical College</u>
- <u>Gateway Technical College</u> (shared with MATC and must complete dental assisting program for entry)

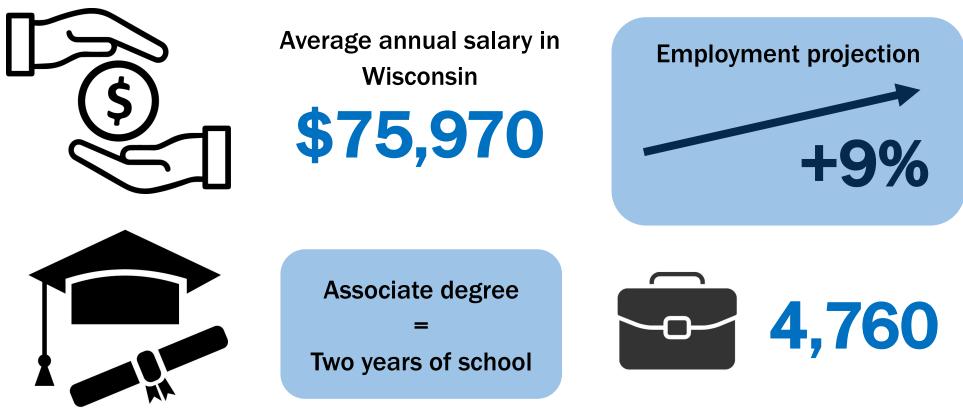

Licensing:

In addition to graduating from an accredited program, students must pass written exams and a clinical exam to receive a dental hygiene license in Wisconsin.

Further education:

- Individuals may choose to further their education with a Bachelor of Science in Dental Hygiene or a Master of Science in Dental Hygiene.
- <u>Marian University</u> is the only Wisconsin school offering an online dental hygiene completion program for a Bachelor's degree.
