Health care renewals are back!

## Unsure of the renewal process?

Here's what you need to know:

### Know your renewal month.

Check the letter we sent you in March or find it online at [access.wi.gov](https://access.wi.gov).

### Watch your mailbox.

About two weeks before your renewal month, we'll send you a renewal form and instructions.

**Renewal Tip:** To avoid a gap in coverage, renew as soon as you get your renewal packet in the mail.

## Ways to renew:

**By mail.** To renew by mail, complete and return your renewal packet.

**Online.** Renew online through your ACCESS account. Log in or set up an account at [access.wi.gov](https://access.wi.gov).

**By phone or in person.** You can renew by phone or in person through your local agency. Find your agency at [dhs.wi.gov/im-agency](https://dhs.wi.gov/im-agency).

**Questions?** Find a benefits specialist for your county by visiting your local Aging and Disability Resource Center (ADRC) or go to [dhs.wi.gov/benefit-specialist/counties.htm](https://dhs.wi.gov/benefit-specialist/counties.htm).
