

# Does your child have BadgerCare Plus?

Help them stay  
covered and healthy.

Your kids might qualify,  
even if you don't.

 **Renew and find out.**

---

## When to renew:

Find your family's renewal month on [access.wi.gov](https://access.wi.gov) or the MyACCESS app on your smartphone.

About two weeks before your renewal month, you'll get a packet in the mail.

Renew as soon as you get your packet. Your kids might be able to keep their coverage even if you cant.

## Need help?
