Federal Medicaid Work Requirement

⇨ How can I find out when my next renewal is due?

This takes effect January 1, 2027, but does not apply to current BadgerCare Plus members until their next renewal starting March 2027.

As a reminder, the federal Medicaid work requirement only applies to you if you are a BadgerCare Plus member between 19 and 64 who is not pregnant and doesn't have a dependent child under 19 living with you at least 40% of the time.

This federal Medicaid work requirement will apply to current members at their next renewal starting March 2027. Here are ways you can find out when your next renewal is due.

Online through ACCESS or MyACCESS

1. Log in to ACCESS (or create an account) at access.wi.gov or use the MyACCESS mobile app.
2. On the homepage, under **My Benefits** it will show the types of programs that you are enrolled in or have applied for.
3. Select **Health Care** (if it is not already open).
4. It will say **Open** next to the programs that are active. Under **Who is Covered** it will show the start date and when your renewal is due.

Check the letter mailed to you from the Wisconsin Department of Health Services

Please check your mail regularly for communications from Wisconsin DHS about your upcoming renewal. About two months before your renewal is due, we'll send you a letter. This letter will tell you your exact renewal date.

More information

For more information about renewals, visit dhs.wi.gov/renew. For more information about the work requirement visit dhs.wi.gov/medicaid/work.htm.
