Companion Document Audience

Companion documents are intended for information technology and/or systems staff who will be coding billing systems or software for compliance with the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Purpose of Companion Documents

The information contained in this companion document applies to ForwardHealth which includes the following programs: BadgerCare Plus, Wisconsin Medicaid, SeniorCare, Wisconsin Chronic Disease Program (WCDP), and Wisconsin Well Woman Program (WWWP). All of these programs use the ForwardHealth interChange.

This companion guide supplements the requirements in the X12N implementation guide, but does not contradict those requirements. Companion documents provide ForwardHealth interChange-specific information that details the way to create HIPAA transactions for ForwardHealth and explains how ForwardHealth interChange creates HIPAA transactions. The purpose of the companion documents is to provide trading partners with a guide to communicate the ForwardHealth interChange-specific information required to successfully exchange transactions electronically with ForwardHealth interChange.

Companion documents highlight the data elements significant for ForwardHealth. For transactions created by ForwardHealth interChange, companion documents explain how certain data elements are processed. Refer to the companion document first if there is a question about how ForwardHealth interChange processes a HIPAA transaction. For further information, contact the ForwardHealth Electronic Data Interchange (EDI) Department at (866) 416-4979.
