Wisconsin’s Regional Centers are staffed by specialists who help families.

Contact us!

Wisconsin’s Regional Centers help families get answers, find services, and connect to community resources.

We want to help you.

Wisconsin has five Regional Centers dedicated to supporting families with children and youth with special health care needs.

Contact a Regional Center Specialist for guidance on a wide range of topics:

❖ Information on your child’s condition
❖ Problem-solving
❖ Partnering with your doctor in a medical home
❖ Health transition from child to adult health care
❖ Health insurance/benefits assistance (for example, Medicaid)
❖ Services in the community
❖ Parent-to-parent support
❖ Finding doctors and dentists
❖ Parent training events

Well Badger Resource Center
New home of the MCH/First Step Resource line: 1-800-642-7837
https://wellbadger.org/

The Regional Centers are funded by the Wisconsin Department of Health Services, Division of Public Health, Children and Youth with Special Health Care Needs Program through the Maternal and Child Health Title V Services Block grant.

P-40051 (05/2019)
Children and youth with special health care needs:

❖ Are between birth and age 21.
❖ Have a physical, behavioral, developmental, or emotional illness, or condition which is expected to last from one year to a lifetime.

Parents tell us:

♥ You listened.
♥ You helped me with what I thought was important.
♥ You helped me find my next step!

“Thank you for providing much needed information at a time when we didn’t even know what questions to ask. I wish I had known about your Center years ago!”

– A parent of a child with a special health need
