

## Notice of Exclusion

Date:

Dear Parent:

The attached Legal Notice indicates that your child is currently not in compliance with the Wisconsin Student Immunization Law and therefore will be excluded from this school on [*enter 31st school day*].

For your child to remain at school or re-enter school after exclusion, you must do one of the following:

- (1) Provide this school with the date (month, day, and year) of the required immunization(s) either from your child's medical records or from the [Wisconsin Immunization Registry](#). For varicella (chickenpox), a history of having had the disease is also acceptable. Laboratory evidence of immunity is also acceptable for these diseases: measles, mumps, rubella, hepatitis B, and varicella.

OR

- (2) Claim a waiver.

Use the attached Student Immunization Record to provide the information described above.

The Immunization Law in Wisconsin was passed to protect all children from vaccine-preventable diseases. The law requires public schools in school districts with less than a 99% compliance level to exclude noncompliant students in kindergarten through grade five. The law also applies to private schools. Private schools with less than a 99% compliance level are required to exclude noncompliant students in kindergarten through grade five. A noncompliant student is one who is "behind schedule" for a required immunization(s), or has no immunization record on file at the school and does not have a waiver on file.

Thank you for your cooperation.
