Source: 2011 Family Health Survey, Office of Health Informatics, Division of Public Health, Wisconsin Department of Health Services.

Notes: This table shows estimated percentages and numbers of Milwaukee County residents based on survey responses. All estimates are based on a sample of 100 cases or more.

C.I. = Confidence Interval (specifies a range within which the true value probably lies). See Technical Notes.

A dash (--) indicates 0.5% or less, or fewer than 1,000 people.
