

Tobacco Fact Sheet 2017 Reference Guide

Data is available from the Wisconsin Behavioral Risk Factor Surveillance System (BRFSS). The survey is conducted by the Wisconsin Department of Health Services, Division of Public Health, Office of Health Informatics.

* The 25% smoking prevalence seen in individuals who receive mental health treatment is calculated from 2017 BRFSS data only.

* Data on LGB+ ever use of e-cigarettes is calculated from 2014-2017 BRFSS data due to small sample sizes.
