PROFILE DESCRIPTION: Reporting profile only

This profile is one in a series for reporting the expenditures for individuals specifically identified by the Department who have been diverted from a nursing home to the community under the CIP II – Diversion program.

The County is to report 100% of the expenses associated with these individuals to this profile for the period of time the person is eligible to receive this funding. CARS will allocate to profiles 375 (CIP II Diversion non federal) and 376 (CIP II Diversion federal) based on their associated federal and GPR funding percentages. Funding for these individuals is capped at \$85 per day. Funding is for the period time the person is eligible for the CIP II – Diversion program. Costs may not exceed the \$85 per day rate. If costs exceed \$85 per day, the person may be closed from the CIP II – Diversion program funding.
