**PROFILE DESCRIPTION:** DHS was awarded a grant in May 2017. The grant is for a period of 4 years and the total award is \$760,000 per year. The purpose of the grant is to provide funding to improve treatment for adolescents and/or transitional aged youth with substance use disorders and/or co-occurring substance use and mental health disorders by assuring youth state-wide access to evidence based assessments, treatment models, and recovery services supported by the strengthening of the existing infrastructure system. DHS has identified the model of Multidimensional Family Therapy (MDFT) for the evidence based practice to be used. DHS will contract with MDFT International to provide the training, supervision, quality assurance, and fidelity for the evidence based practice of Multidimensional Family Therapy.
