REPORTING INSTRUCTIONS: AODA Treatment Services- Block Grants for Prevention and Treatment of Substance Abuse (SAPTBG) community allocation funds may be expended for substance use disorder treatment programs and services designed for and targeting persons with substance use disorders other than programs and services that fall within the Women's Treatment category described in Profile 546. At least 10 % of the SAPTBG must be expended for comprehensive substance use disorder treatment, recovery support, or general (non-primary) prevention programs and services designed for women and their dependent children, including pregnant and postpartum women and their dependent children. This category does not include primary prevention programs or services for men or women. There is no match requirement for these funds.
