

**CARS #: 560090**

**PROFILE ID TITLE:** RESOURCE CTR LTCFS

**FULL TITLE:** Resource Center Functional Screen

**REPORTING INSTRUCTIONS:** This profile should be used to report all costs incurred to administer MA allowable functional screens. To be eligible the functional screen must be used to determine an individual's functional eligibility for the Family Care benefit.

The Resource Center shall report to the Department the actual costs incurred for all of the allowable functional screening activity performed. These activities are identified on the Wisconsin Department of Health Services ADRC 100% Time Reporting Log as category 3 & 4 activities. Such expenses include salary & fringe, all supplies & services related to the Long Term Care Functional Screen duties performed by the staff of the ADRC, as well as allocated portions of indirect costs including AMSO. Non-allowable activity include those functional screens that are funded with federal dollars (such as Older Americans Act or MAPT) or activities that are billable to other sources (such as case management).
