PROFILE DESCRIPTION: The Department of Health Services allowable cost policy manual applies. Report expenditures electronically using the form required by the Department. Summary: The primary goals of this project align with the DHS priority of developing effective strategies related to employment supports and services to increase employment of people with disabilities and long-term care needs and include the following efforts: Ensure access to information, resources, and services to achieve meaningful community-based employment within Wisconsin's Long-Term Care Programs, specifically Family Care and IRIS; Develop youth and family-focused strategies related to planning for youth in transition with a focus on supporting continuing education and community-based employment; Promote community-based employer development and employer understanding of long-term care supports and services; and Increase local capacity of Managed Care Organization and IRIS Consultant Agencies, as well as County Waiver Agencies providers to effectively support adult and youth employment goals. Profile 560556 covers work efforts that are only eligible for 100% GPR funding and this new 560227 profile will

cover work efforts that are eligible for an enhanced rate consisting of 50% GPR and 50% MA.
