

CARS #: 873

PROFILE ID TITLE: CLTS AUTISM

FULL TITLE: TPA CLTS Autism All Funds Reporting Profile

REPORTING INSTRUCTIONS: Profile 873 captures autism service expenses for the Children's Long Term Support (CLTS) Waiver Programs. County Waiver Agencies do not report to Profile 873, which is non-reimbursable. CLTS claims are submitted by service providers to a Third Party Administrator (TPA), which pays the claims on behalf of DHS. The TPA submits claims data to the Data Warehouse. County Waiver Agency fiscal staff and DHS staff have access to the claims data and can monitor payments made. DLTC staff in the Bureau of Financial Management (BFM) pull CLTS claims data monthly from the Data Warehouse. BFM staff upload the claims data to the CARS reporting profiles. The TPA is paid based on daily invoices submitted by the TPA to the DHS Bureau of Fiscal Services. Total claims for CLTS Autism are aggregated from three waiver target groups (DD, MH, PD). The claims data allocates to Profiles 874 (CLTS Autism GPR) and 875 (CLTS Autism FED) based on current FMAP rates.
