PROFILE DESCRIPTION: An Opioid Treatment Program shall offer an assessment to individuals in need of service to determine what type of treatment is needed. The program shall transition individuals to a licensed residential program, if that level of treatment is necessary. The program shall provide counseling, medication-assisted treatment, including both long-acting opioid antagonist and partial agonist medications that have been approved by the federal food and drug administration, and abstinence-based treatment. The program shall transition individuals who have completed treatment to county-based or private post-treatment care.
