PROFILE DESCRIPTION: DOA approved underspend plan provides for 71700 balance funding to be used to create train the trainer modules for APS. Such modules will increase local governmental capacity to on-board and overall effectively deal with high local staff APS turnover. The intent of this one time grant is to leverage UW-Greenbay's expertise in APS to create materials, training, on-site training, seek CEUs, and create a tracking database to improve customer service experience of APS customers statewide. The goal is to enhance the tangible benefit to APS customers.
