Wisconsin Radon Conference

November 12 - 13th, 8 a.m. – 4 p.m.

Hotel Mead

451 E Grand Ave, Wisconsin Rapids, WI 54494

Day 1 (Nov. 12) is **optional**. We'll be offering two 4-hour continuing education (CE) courses in the morning and afternoon for those interested in enrolling. The morning course (8:00 a.m.–12:00 p.m.) will focus on radon measurement in large buildings. The afternoon course (1:00 p.m.–5:00 p.m.) covers mitigation design and diagnostics. Visit the [conference website](#) for more information.

Day 2 (Nov. 13) will be the main **conference day** of presentations and networking. Lunch is included in the registration fee. This event also offers CE credit.

Who should attend?

Radon measurement and mitigation professionals, state and local health department officials, Tribal Nations, and members of professional organizations and consortiums.

Which topics will be covered?

Radon policy, lung cancer, addressing radon service deserts, bolstering your radon business, quality assurance and quality control.

Register for the conference and continuing education course add-ons.
