Distance Learning Approval

Approval

1. Any instructor who needs to use distance learning options, must receive prior approval from the registry. An approval application is available to sign on Distance Learning Application.
2. The registry will work to expedite approvals.
3. Once approved the instructor will receive approval via email.

Approval Structure:

1. Classes must be completed with a web-based or live video tool where the instructor can see the participants to insure engagement and participation in the learning activities.
2. A proctor must be in attendance, a proctor is permitted. The proctor must meet one of the following criteria:
 - A. A person who is licensed or credentialed in the state of Wisconsin.
 - B. A representative of the institution of the health care in the community for the course.
