

# DQA Consultant List

Tuesday, August 02, 2016

The following is a list of companies that have chosen to share their contact information with the State of Wisconsin, Division of Quality Assurance as consultants and management companies available to DQA-regulated provider types. The list is provided for informational purposes only. It is not comprehensive in terms of the possible resources that may be available. DQA does not and will not specifically endorse any particular consultant.

If you wish to include your company's name, please visit the following website and provide the information requested: <https://4.selectsurvey.net/DHS/TakeSurvey.aspx?SurveyID=m2K1752K#>. If you have questions or wish to have your name removed from this list, please contact Pam Granzen at [Pamela.Granzen@dhs.wisconsin.gov](mailto:Pamela.Granzen@dhs.wisconsin.gov) or at 608-266-8408.

**Specialty Areas:** LeadingAge Wisconsin has a 50-year history to back up our commitment to quality for the entire spectrum of care and services. From home and community based services and independent living settings to assisted living and skilled nursing environments, LeadingAge Wisconsin is a recognized voice of leadership. The association's core services include advocacy, education, information, member services, and unparalleled networking opportunities. LeadingAge Wisconsin continuously is rolling out cutting-edge services that assist members in areas such as technology, quality improvement, leadership, workforce development, sales and marketing, image enhancement, and more. With the RCAC and CBRF Quality Improvement Network, LeadingAge Wisconsin has the first program approved by the Bureau of Assisted Living for the Wisconsin Coalition for Collaborative Excellence in Assisted Living (WCCEAL), and, with this fully integrated and implemented program, LeadingAge Wisconsin has set the bar for all applications that will follow. While LeadingAge Wisconsin's membership is comprised totally of not-for-profit long term care, assisted living, and independent living organizations, the association is dedicated to serving all entities who express an interest in and demonstrate a commitment to advancing excellence in quality care, quality service, and quality of life for elderly persons and individuals with a disability. For this reason, LeadingAge Wisconsin offers a subscription to services for proprietary long term care and assisted living organizations who share our interest in quality for each and every individual served. LeadingAge Wisconsin is growing into the future, and we invite you to grow with us.
