

HOSPICE SURVEY STATISTICS
January - March 2011

Federal Tag Cited	Regulation Language	Number of Cites
L0533 Update of Comprehensive Assessment	The update of the comprehensive assessment must be accomplished by the hospice interdisciplinary group (in collaboration with the individual's attending physician, if any) and must consider changes that have taken place since the initial assessment. It must include information on the patient's progress toward desired outcomes, as well as a reassessment of the patient's response to care. The assessment update must be accomplished as frequently as the condition of the patient requires, but no less frequently than every 15 days.	1
L0626 Hospice Aide Assignments and Duties	(2) A hospice aide provides services that are: (i) Ordered by the interdisciplinary group. (ii) Included in the plan of care. (iii) Permitted to be performed under State law by such hospice aide. (iv) Consistent with the hospice aide training.	1
