131.21(1) Plan of Care	GENERAL REQUIREMENTS. A written plan of care shall be established and maintained for each patient admitted to the hospice program and the patient's family. The hospice plan of care is a document that describes both the palliative and supportive care to be provided by the hospice to the patient and the patient's family, as well as the manner by which the hospice will provide that care. The care provided to the patient and the patient's family shall be in accordance with the plan of care.	1
