**Assisted Living Stakeholders:**

**Root Cause Analysis (How to Implement In Your Facility For Successful Outcomes) – Workshop Flyer Attached**

The Bureau of Assisted Living is pleased to announce a collaborative effort with WIPFLI to present four regional workshops in July 2015. Attendees will learn how internal quality assurance can improve outcomes related to regulatory compliance, resident satisfaction and clinical outcomes.

Join us for an impactful workshop that will assist you in understanding how to implement a culture of improvement in your assisted living community.
