

# Healthcare in the Built Environment Conference

Wednesday, March 14, 2018  
Glacier Canyon Conference Center  
Wisconsin Dells, Wisconsin

## Conference Content

The Wisconsin Department of Health Services (DHS), Division of Quality Assurance (DQA), Office of Plan Review and Inspection (OPRI) is excited to announce the Healthcare in the Built Environment Conference.

Three components that shape the health care built environment are health care delivery models, facility design, and the regulatory environment. This conference brings together all stakeholders engaged in the infrastructure of health care while addressing the common thread of the regulatory model from planning and construction through occupancy.
