Re: Reallocation of Underspent Funds

Dear Patricia Benesh,

We are pleased to present this final report on the “Wisconsin Reallocation of Underspent Funds” in which 310 Wisconsin nursing homes received renewal of their Music & Memory certification. The renewal provided the nursing homes with uninterrupted access to the Care Community. The Care Community’s 24/7 access provides Certified MUSIC & MEMORY® organizations with access to essential training such as the monthly Certification training, and device training. It also provides how-to guides, marketing materials, free music and old-time radio shows, topic and support calls, current research, and program best practices documentation. In addition to the renewal of 310 Wisconsin nursing homes, the funds also provided equipment and the certification of two additional Wisconsin nursing homes in the Music & Memory program.

We are grateful to the Wisconsin Department of Health Services and the Centers for Medicare & Medicaid Services for the opportunity to continue providing personalized music to more than 4,500 Wisconsin nursing home residents through the Civil Money Penalty (CMP) grant program.

Sincerely,

Joe Schick

Executive Director

Joe Schick

Executive Director

MUSIC & MEMORY® utilized unspent funds from the previous *Music & Memory Student Volunteer Project* grant to bolster the existing programs by providing additional resources and online support through the members-only Care Community website. The MUSIC & MEMORY® Care Community is a private website for all Music & Memory Certified Care Organizations, created to help programs succeed. Once certified, organizations have 24/7 access to a wealth of program resources and support:

- Unlimited access to Music & Memory training.
- The latest how-to guides, marketing materials and program resources.
- Recorded topic calls with Music & Memory regional directors to help support the program.
- Interactive discussion forums.
- Current research and personal music intervention tips from our 5,000+ care organizations.
- Free music library.
- Phone/Email support from Music & Memory.

In 2019, utilizing the unspent funds from the previous grant, Music & Memory renewed 310 Wisconsin nursing homes for one year. By renewing their certification, the nursing homes continued to have access to training, research, topic calls, support, intervention tips and program resources for one year. The funding renewed the Music & Memory program certification for the following 310 Wisconsin nursing homes:

Of the eighteen organizations that were eligible to become newly Music & Memory certified, only two completed certification and received equipment. The two organizations that completed certification in 2019 were:

- Manorcare Health Services, Appleton
- Lindengrove, New Berlin

Of the available \$41,214.57, Music & Memory utilized \$32,154.60 to:

- Certify two new Wisconsin nursing homes in the Music & Memory program.
- Provide equipment to the two new Wisconsin nursing homes.
- Renewed Music & Memory certification for 310 previously certified Wisconsin nursing homes.
