Payments through June 30, 2014 are limited to 3/12ths of the contract with the balance paid after July 1, 2014 based on reported costs up to the contract level.

The total value of the Contract may be further amended at any point in its duration. A memo of approval from the Division of Mental Health and Substance Abuse Services Administrator will constitute agreement that the Contract has been amended to the new value.

II. Purpose and Service Conditions on the use of the Additional Funds

These additional funds may be used by the County only for the purpose of matching funds to federal financial participation for Medicaid covered services provided by a program that is certified by the department under DHS 34, Subpart III; DHS 36 or DHS 63; or under an approved Community Recovery Services (CRS) plan.
- B. The County shall be the Department's prime contract agent for the use of these funds. All conditions of this contract shall apply to all subcontracts entered into between the County and approved service providers.
