

These last few questions are part of a special effort led by the researchers at the University of Wisconsin. Some of these questions may seem similar to questions you already answered. However, your responses to these questions will help researchers better understand the experiences of Wisconsin residents. Thank you in advance for sharing your perspective!

**WI\_1. Are you or your spouse or partner doing anything now to keep from getting pregnant?**

This can include having your tubes tied, using birth control pills, condoms, natural family planning, or other methods.

- ☐ No
- ☐ Yes → **Go to question 5**
- ☐ I'm pregnant now → **Go to question 9**

**WI\_2. Which of the following statements best describes why you are not currently doing anything to keep from getting pregnant?**

- ☐ You don't want to use birth control or contraception
- ☐ You would like to use birth control or contraception, but you had problems getting it
- ☐ You would like to prevent pregnancy, but you don't like any of the birth control options

**WI\_3. What are your reasons for not doing anything to keep from getting pregnant now?**

**Check ALL that apply**

**Ability or desire to get pregnant**

- ☐ I want to get pregnant or I wouldn't mind if I get pregnant
- ☐ I had your tubes tied or blocked or my partner had a vasectomy
- ☐ I don't think I can get pregnant, or I don't think my partner(s) can get me pregnant
- ☐ I'm not having sex, or not having sex very often
- ☐ I am in a same-sex relationship

**Concerns about birth control**

- ☐ I am worried about the side effects from birth control
- ☐ I don't want to put hormones in my body
- ☐ Birth control is inconvenient or difficult to use
- ☐ Birth control would interfere with sexual pleasure or menstruation
- ☐ I don't trust healthcare providers or medical procedures
- ☐ I'm opposed to birth control for moral or religious reasons

**Ability to obtain birth control**

- ☐ I have had problems getting birth control
- ☐ There are limited options for birth control providers or appointments near me
- ☐ My provider doesn't offer the method I want
- ☐ I don't have insurance coverage for birth control, or I can't afford to pay for it

- ☐ I don't have any transportation to the clinic, pharmacy, or doctor's office
- ☐ I don't know where to go to get birth control
- ☐ I haven't been able to get childcare or miss work to get birth control

**Other reasons**

- ☐ I don't really think about birth control
- ☐ My partner or partners don't want me to use birth control
- ☐ I don't want to use birth control
- ☐ Other reason      →      Please tell us:

**WI\_4. Thinking about the reasons you gave in question WI\_3, which would you say is your primary reason for not doing anything to keep from getting pregnant?**

**Check only ONE**

**Ability or desire to get pregnant**

- ☐ I want to get pregnant or I wouldn't mind if I got pregnant
- ☐ I had my tubes tied or blocked or my partner had a vasectomy
- ☐ I don't think I can get pregnant, or I don't think my partner(s) can get me pregnant
- ☐ I'm not having sex, or not having sex very often
- ☐ I am in a same-sex relationship

**Concerns about birth control**

- ☐ I am worried about the side effects from birth control
- ☐ I don't want to put hormones in my body
- ☐ Birth control is inconvenient or difficult to use
- ☐ Birth control would interfere with sexual pleasure or menstruation
- ☐ I don't trust healthcare providers or medical procedures
- ☐ I'm opposed to birth control for moral or religious reasons

**Ability to obtain birth control**

- ☐ I have had problems getting birth control
- ☐ There are limited options for birth control providers or appointments near me
- ☐ My provider doesn't offer the method I want
- ☐ I don't have insurance coverage for birth control, or I can't afford to pay for it
- ☐ I don't have any transportation to the clinic, pharmacy, or doctor's office
- ☐ I don't know where to go to get birth control

**Other reasons**

- ☐ I don't really think about birth control
- ☐ My partner or partners don't want me to use birth control
- ☐ I don't want to use birth control
- ☐ Other reason      →      Please tell us:

**WI\_5. Is the birth control method you are currently using the same as the method you would prefer to be using *right now*?**

☐ No

☐ Yes → **Go to Question WI\_9**

**WI\_6. Which of the following statements best describes why you are not currently using the birth control method you would prefer?**

- ☐ I have chosen not to use my preferred method right now for some reason.
- ☐ I would like to be using my preferred method now, but I've had problems getting it.
- ☐ I would like to prevent pregnancy, but I don't like any of the birth control options.

**WI\_7. What are your reasons for not using your preferred birth control method?**

**Check ALL that apply**

**Ability or desire to get pregnant**

- ☐ I want to get pregnant or I wouldn't mind if I got pregnant
- ☐ My partner or I am using a permanent method that cannot be reversed
- ☐ I don't think I can get pregnant, or I don't think my partner(s) can get me pregnant
- ☐ I'm not having sex or not having sex very often
- ☐ I am in a same-sex relationship

**Concerns about birth control**

- ☐ I am worried about the side effects from birth control
- ☐ I don't want to put hormones in my body
- ☐ Birth control is inconvenient or difficult to use
