### Background

The Money Follows the Person Rebalancing Demonstration Grant received through the federal Centers for Medicare and Medicaid Services (CMS)

### Generalized Funding Statement

The funds may be used as noted below, according to the proposal and budget submitted in response to the solicitation dated September 20, 2019 and contingent on federal funding approval. Recipients of these funds provide assurance that funds from Phase IV will be expended for the purposes outlined in the MFP-TI plan submitted to the Department. If that plan has changed, recipients are to submit an updated plan to the Department.

### Scope of Work Summary

The Department goals for MFP-TI projects include, but are not limited to, the following:

- Building tribal LTSS infrastructure and capacity to support MFP implementation.
- Strengthening partnerships between the state Medicaid agency and Tribes in support of state rebalancing initiatives.
- Developing roles the Tribes and state Medicaid agency will play in the design and operations of the MFP-TI program.
- Identifying Tribal community provider capacity-building needs, including systems changes and training, to achieve a sustainable model.
- Transitioning AI/AN individuals who wish to return to their communities from institutions.

### Contract Period of Performance:

**October 1, 2023 to September 30, 2024**
